

Partnership Scholars Program Sponsorships & Giving Circles

Full Sponsors provide six full years of mentoring and college guidance to a scholar. In appreciation for their support, Full Sponsors receive:

- ★ An invitation to the new student induction ceremony closest to you
- ★ Bi-annual letters from a scholar for six years, allowing you to share in their experiences and growth
- ★ A feature in the PSP newsletter as a Sponsoring Full Partner
- ★ An invitation to the graduation ceremony closest to you

Another way to help a scholar receive six full years of mentoring and college guidance is to join a PSP Giving Circle. When you join a PSP Giving Circle, you are partnered with others to provide the full six years of support, from 7th grade through high school graduation and college enrollment. PSP will join sponsors at different levels together in support of student success. If you have a group of friends or colleagues who would like to create a Giving Circle Team to fully support a scholar, each member should complete their own form and note a team name on the pledge form..
